PRAWN FESTIVAL 2018

The Spot Prawn Festival Returns

Save the date! The hottest ticket on the Vancouver festival scene, the Spot Prawn Festival, returns Saturday May 12 for its 12th year. Hosted by the Chef's Table Society and sponsored by the Pacific Prawn Fishermen's Association along with individual prawn fishermen, this event has been rebooted in format. This year will include a luscious spot prawn chowder, and a grazing brunch (as opposed to the annual boil that has taken place in the past). Do one or the other or both!

Tickets will be on sale soon at eventbrite.ca
