Spot Prawn Festival 2018

The hottest ticket on the Vancouver festival scene, the Spot Prawn Festival, returns Saturday May 12 for its 12th year. Hosted by [Chefs' Table Society](#) and sponsored by the Pacific Prawn Fishermen's Association along with individual prawn fishermen, this event has been rebooted in format. This year will include a luscious spot prawn chowder, and a grazing brunch (as opposed to the annual boil that has taken place in the past). Do one or the other or both!
